10. [] Met briefly with Ed Braswell, Chief Counsel, Senate Armed Services Committee, and left with him papers containing comments on S. 1935 (Senator Proxmire's proposed amendments to Section 102 of the National Security Act) and on his letter of 12 June 1973 to the Acting Chairman of the Senate Armed Services Committee recommending the publication of National Security Council Intelligence Directives. Braswell said he would study these over the weekend and we could talk about them further next week. I also left with Braswell a suggested Agency response to the Committee's request for a report on S. 1547 a bill introduced by Senator Humphrey to establish a Joint Committee on National Security. I told Braswell we had drafts of proposed responses to other legislation which had been referred to us by the Committee which we would be pleased to discuss with him at his convenience.
